Affiliation

Institute of Architecture, Urbanism, Society: Knowledge, Education, Research, IPRAUS-AUSser (UMR No. 3329 of CNRS), School of Architecture of Paris Belleville ENSA-PB, 60 Boulevard de la Villette 75019 Paris, France

Research Interests

- Patterns and processes of spatial-economic restructuring in China's lower Yangtze delta
- Interplay between built environment, governance and social changes of delta regions
- Regional approaches to hydrology and soils of delta landscapes
- Territorial dynamics of urban dispersion
- Asia/Europe comparative studies on Diffuse Urbanization

Education

- 2012-2018 **Ph.D. in Urbanism, PhD in Urbanism and Spatial Management** postgraduate dual degree at:
Graduate School of Villes Transports et Territoires, Université of Paris-Est (ED-VTT, UPE), FRANCE
Graduate School of Urbanism, IUAV University of Venice, ITALY
- 2012-2011 **Postgraduate Educational Research Diploma (DPEA)**
School of Architecture ENSA-Paris Belleville (1st National Rank Architecture School 2016)
- 2007-2011 **Master's Degree in Architecture and Urban Design**, IUAV University of Venice, ITALY
Master thesis: "Shanghai Micro-polarity" (supervisor: Prof. Bernardo Secchi). Evaluation: 10/10
- 2002-2007 **Bachelor Degree in Sciences of Architecture**, IUAV University of Venice, ITALY
- 1997-2002 **High School Diploma in Humanities and Classic Studies**, Perugia, ITALY

Membership in Academic Bodies

Member of Architecture, Urbanisme, Société: savoirs, enseignement, recherche, IPRAUS-AUSser (UMR No. 3329 of CNRS), ENSA-Paris Belleville

Adjunct member of the Diffuse Cities & Urbanization Network (DCUN) Labex Futurs Urbains, PRES Université Paris-EST (UPE)

Teaching Experience

- 2015-2016 Instructor of:
- *Case Studies in contemporary Landscape Architecture. "Shifts: on landscape architecture grounds"* MLA level, Division of Landscape Architecture, Faculty of Architecture, HKU (DLA, HKU)
 - *Theories and Practices of Landscape Architecture*, BLA level, (DLA, HKU)
 - *History and Theory of Landscape Architecture*. MLA level, (DLA, HKU)
- Co-instructor and tutor of:
- *Sustainability and The Built Environment*, bachelor level, Common Core, HKU (CC, HKU)
 - *Shaping the Landscape: A Quest for Harmony between Nature and the City*, bachelor level, (CC, HKU)

- 2013-2014 Tutor of:
 -*DSA Architecture and Urban Project, Post-Graduate Diploma, IPRAUS-AUSser, ENSA-Paris Belleville* (supervision/reviewing)
 -*Territories and urban networks, IPRAUS-AUSser, ENSA-Paris Belleville* (supervision/tutorials, supervision of BAdissertations)

Ongoing Research Projects

- 2015 – 2017 Research project: *Intertextures. Polarization and Diffusion in Yangtze River Delta: social ties, environment, economy.*
 Role: Principal Investigator
 Research Centre: Architecture, Urbanism, and the Humanities Initiative (AUHI), HKUrban Lab, Faculty of Architecture, The University of Hong Kong
 URL: http://www.arch.hku.hk/research_project/intertextures-polarization-and-diffusion-in-yangtze-river-delta-social-ties-environment-economy/
- 2016 – 2019 Research project: *Diffusionary Urbanism.*
 Role: Principal Investigator
 Research Centre: Architecture, Urbanism, and the Humanities Initiative (AUHI), HKUrban Lab, Faculty of Architecture, The University of Hong Kong
 URL: http://www.arch.hku.hk/research_project/diffusionary-urbanism/
- 2017 – 2018 Co-Editor of the book '*Territories of Metropolis: compactness dispersion, ecology. Comparative perspectives between Asian and Europe.*'
 The book will be submitted to the series 'Global Suburbanisms', University of Toronto Press, CANADA.

Selected Publications and Reports

'Villes diffuses en Asie. Nouvelles perspectives sur le Desakota'. Seminar of DSA Architecture et Projet Urbain, ENSA Paris-Belleville and l'UMR AUSser, Paris, FRANCE, 28th April
- 2015 Invited lecturer
Merchant cities: Canton, Venice.
As part of the course 'The City: Histories of Urbanism and the Built Environment'; Common Core (CCHU 9048) by Assistant Professor Dr. Cecilia Chu, The University of Hong Kong HONG KONG, 12th February

Academic Experiences, Scholarships, Grants

- 2015-2016 **Visiting Fellow Teaching and Research, The University of Hong Kong, Division of Landscape Architecture** (twelve months full-time staff, +six months Visiting Research Scholar). HONG KONG
- 2015 **UKNA Visiting Researcher, The University of Hong Kong, Department of Architecture,** UKNA Urban Knowledge Network Asia fellowship (International Institute for Asian Studies, IIAS, Marie-Curie fellowships, Leiden University). June-July 2015. CHINA

- 2014 **UKNA Visiting Researcher, Tianjin University, School of Architecture, Tianjin,**
UKNA Urban Knowledge Network Asia fellowship (International Institute for Asian Studies, IIAS, Marie Curie fellowships, Leiden University). November-December 2014. CHINA
- 2014 **UKNA Visiting Researcher, Shanghai Academy of Social Sciences (SASS)**
CURS, Centre for Urban and Regional Studies, Shanghai,
UKNA Urban Knowledge Network Asia fellowship (International Institute for Asian Studies, IIAS, Marie Curie fellowships, Leiden University), October 2014. CHINA
- 2014 **UKNA Visiting Researcher, The University of Hong Kong, Department of Architecture,**
UKNA Urban Knowledge Network Asia fellowship (International Institute for Asian Studies, IIAS, Marie-Curie fellowships, Leiden University), April-September 2014. HONG KONG
- 2013 **International Dual Degree Doctoral Fellowship,** granted by *Postgraduate School of Villes Transports et Territoires (ED-VTT), Université of Paris-Est (UPE), Paris,* January-September 2014. FRANCE
- 2010-2011 **ERASMUS+ International Extra-EU Scheme for the Mobility of University Students, Tongji University,**
Department of Bridge Engineering, College of Civil Engineering, Shanghai,
granted by IUAV University of Venice, (twelve months). CHINA
- 2009-2010 **ERASMUS+ International Extra-EU Scheme for the Mobility of University Students, Fuzhou University,**
School of Architecture, Fuzhou, granted by IUAV University of Venice, (eight months). CHINA
- 2008-2009 **European Region Action Scheme for the Mobility of University Students, Dresden University of Technology (TUD-Dresden), Faculty of Architecture, Dresden,** granted by IUAV University of Venice, (twelve months). GERMANY

Other Professional Experiences

- 2016 Feb Member, *International Jury at International Baikal University of Urban Planning and Design 'The system of urban centers. Formation of public – business spaces. Irkutsk State Technical University'* Irkutsk, RUSSIA, 16-21 February
- 2015 Feb-July Senior Architect, *LAND-AU Architecture & Planning Consultants UK,* Shanghai, CHINA:
- Haitang Bay retail and service area in Sanya, Hainan Province, CHINA
- Xianxiang town renovation program based on heritage preservation in Ningbo, Zhejiang Province, CHINA
- 2014 Planning strategist, *Planning and Architectural Institute of Fudan University,* Shanghai, CHINA:
- Lingang new town based on tourism and conventional function, 10/2013-02/2014, Shanghai, CHINA
- North Hongkou district: concept plan, 03/2014-08/2014, Shanghai, CHINA
- Shanghai by 2040: demographic study and population projections, 06/2014-09/2014, Shanghai, CHINA
- Shanghai by 2020: research on functional and spatial performances 07/2014-10/2014, Shanghai, CHINA
- 2012-2013 Principal designer, *Office for design Ltd,* Assisi, ITALY:
- Corporate image, development and product management at Office for Design Ltd
- Concept, development and industrialization of W-Box Modular System
- 2010 Apr-Nov Assistant architect, *Office for Architecture Piotr Barbarewicz,* Venice, ITALY:
- Preliminary studies on floating structures for exhibition centres
- Restricted competition: Proposal for Multipurpose Cultural Centre, Gdansk, POLAND
- 2009 Sep-Dic Architectural designer, *Planning and Architectural Institute of Fudan University,* Shanghai,
- Preliminary design for a residential and hotel high-rise tower, waterfront of Qingdao, CHINA
- 2009 Oct. Participant, *International Urban Planning Workshop, 'Urban renewal, densification and metropolitan integration. Loop of the river Seine, Area of Gennevilliers-Argenteuil'.*
Les Ateliers des Maitres et de l'Urbanisme, École Supérieure des Sciences Economiques et Commerciales ESSEC, Business School, Cergy- Pontoise, FRANCE

2009 Feb. Participant at : *International Urban Planning Workshop* 'Elaborating a rehabilitation project for Irkutsk central neighborhoods while coping with the city's urban development strategy'.
Les Ateliers des Maîtres et de l'Urbanisme & The International Baikal University of Urban Planning, Irkutsk, RUSSIA

Computer Skills

Windows (Xp-10), Apple IOS operative systems, Autodesk Autocad 2d-3d, Arcgis, Adobe Suite (Photoshop, Illustrator, In-design, Audition, Acrobat), Microsoft Office Suite (Word, Publisher, Power Point, Outlook, Excel) Google (Business Apps, Earth, Sketchup, Layout, Style builder), Zotero (reference management software).

Other Interests

Fly fishing, baroque music, photography and analogue printing, furniture's concept and design.
